Thanks Valois: could you add this email/agenda to the meeting invite once it has been finalized?

I don't have any questions/comments.

**Subject:** Agenda for Dec 4 internal EPA call to discuss talking points for NRC call

Hello All,

Attached is a proposed agenda for our internal EPA call to prepare for our call with the NRC to discuss the Dewey-Burdock UIC Class III draft area permit. Please review the agenda and feel free to add other items for discussion you think are appropriate.

I appreciate your assistance in preparing for the NRC call!

The agenda references Part IV of the UIC draft permit. If you would like to see that section before our internal call, here is a link to the draft permit:

<https://www.regulations.gov/document?D=EPA-R08-OW-2019-0512-0001>

Part IV is on page 29 of the draft permit, which is page 30 of the pdf file. It might be helpful to take a quick look at the section headings within Part IV.
